XML tag	Meaning	Description	Sample
lang	Position language	Position language ISO code	CS CS
action	Action over candidate	RA_PUBLISH_INSERT for candidate (new reaction) or RA_PUBLISH_DELETE (deletion of the candidate)	RA_PUBLISH_INSERT
parameterList			
clientID_0	Client position ID	Client position ID - only if the company has it enabled, inserted value from the first page of position editing page in Teamio	B123456789
pdjdld	Position ID	Uniq position ID	962827474
pdjdintname	Internal position name	Internal position name (visible to Teamio users only, optional)	VacancyForCandidatesExport internal name
pdjdextname	External positon name	External position name (used in public presentation of a positon, e.g. advertisment)	VacancyForCandidatesExport external name
recruiterFirstName	Recruiter first name	First name of the recruiter managing the position	John
recruiterSurname	Recruiter surname	Surname of the recruiter managing the position	Recruiter
recruiterEmail	Recruiter email	Email of the recruiter managing the position	john.recruiter@lmc.eu
exportID_0	Export place ID	Export place ID - it is a constant for the company	114159755
exportName_0	Export place name	Export place name - it is a constant for the company	Imc_export
exportURL_0	Export place URL	URL of the export place - it is a constant for the company	https://g2.lmc.cz/export/2UfxiSETEST20180205210027/CAND_EXPORT
exportEmail	Export place email	Export place email - it is a constant for the company	export@Imc.eu
sourceId_0	Candidate source	Candidate source, see the list bellow	208400001
sourceDetail_0	Candidate source - detail	Candidate source detail, if it has the format 21200, it is a jobboard , see the list below	21200001
sourceDetailText_0	Candidate source - detail	Candidate source detail as text	jobs.cz
candidateId	Candidate ID	Candidate ID as a unique candidate identifier without connection to the position	962827889
lastReactionDate	Candidate reaction date	Candidate ib as a unique candidate identifier without conflection to the position	2018-02-05
date101Expiration	Consent validity date	Date of validity of consent to the retention of personal data (GDPR)	2021-02-05
candidateStatus	Candidate status	Candidate reaction status - see the list below. New candidates have the status 208200001, in case of a repeated response the status may be different	208200001
reactionTimestamp	Date and time of reply	Time stamp of the candidate's reply to the advertisment	2018-02-05T21:02:34
accepted101Text	Date of consent	Date of validity of consent to the retention of personal data (GDPR)	2021-02-05
rps_0	Reply source ID	Response source ID, see the RPS list below	
7			
personalProfile/contactIn	formation	Element personalProfile may contain additional attributes from flexi questionaire	
name/firstName	Candidate first name	Candidate first name	Jack
name/surname	Candidate surname	Candidate surname	Brown
email	Candidate email	Candidate email	jack.brown@email.cz
phoneList/phone/number	Candidate phone number	Candidate phone number (multiple values allowed, optional)	602123456
linkList	Carididate priorie ridribei	Candidate priorie number (multiple values allowed, optional)	002123430
